

La Leche League Wimbledon

BREAST FEEDING SUPPORT IN THE COMMUNITY

*Mum to mum
support led by
trained and accredited
breastfeeding counsellors*

Our meetings are an informal group offering breastfeeding information, encouragement and support. Our first two general meetings are open to all breastfeeding mothers, including pregnant women. Our third meeting is an older babies/toddlers meeting.

All women are invited to drop into one of our 3 free meetings to get individualised help. It's an opportunity to connect with other mums, discuss pregnancy/labour preparation, breastfeeding in the early days, common challenges, establishing breastfeeding, introducing solids, working and breastfeeding, and many other motherhood related topics.

Join us for the first three Tuesdays of the month

Expecting, breastfeeding mums, babies, toddlers and children are always welcome.
